

CORE VALUES AND PRINCIPLES

**B2B SOLUTIONS
NETWORK, LLC**

Our Core Values & Principles

1. Integrity

We are sticking to our core beliefs. We do the right thing, working ethically and honestly to build trust. We follow all local, state and federal laws and guidelines responsibly.

2. Leadership

We are community leaders with a clear vision of how we should respond to others in need of improving their conditions. We understand, to achieve our Mission & Vision, we must train and develop our staff and supporters to be the very best supportive services team in the country.

3. Passion

Our passion is helping others to success. Healthy successes in life's pursuits benefit the individual and community. Investing in our youth today creates a more productive society in the future.

4. Trust

We respect each other & treat everyone as we expect to be treated. We perform all our duties and dealings with honesty and integrity.

5. Ownership

We value our corporate assets for the long-term growth of our company. We take ownership of our employees, citizens and community to improve their way of life and environment.

6. Diversity

We believe that being different strengthens our organization and inspires full contributions from everyone.

7. Focused Success

We operate strategically, aligning our organization's goals and objectives to achieve our vision by partnering with others for the advancement of our corporate mission.

8. Creative Solutions

We work to create new and innovative ideas, programs and community solutions. We challenge each other to think differently in solving our goals and objectives.

9. Being the Best

We strive to be the best provider to each other and the community. While being the best is a lofty goal, we understand the value in small successes, helping one helps all.

10. Community Focused

Our focus never waivers from the conditions of our community, the environment and our citizens.
